Stories about hidden fees, sudden shock of the total amount, etc etc. Wasting time going down shops after shops just to get nothing or ignored by SAs. These are the experiences and fears of car buyers when approaching car sellers.

But not here.
After speaking to a few sellers, my SA was the only one who went through the process even before I went down for our 1st meeting. The level of transparency is unlike any other sellers to be very honest.

What was discussed over the phone, ended up the same as we met, and even the delivery and collection date. Everything is so smooth and done beautifully that I can't believe I'm already driving my favourite car.

I want to take this chance to thank Yenn Gob for such a pleasant experience for my car purchase (delivery date).

Buying a car can be a nerve wracking process especially in Singapore where the price of admission is never less than six digits. Mr Amirul patiently replies queries promptly even on weekends and evenings. He puts your mind at ease for what really is a substantial investment for the future. He even came over with paperwork to ensure everything will be in order when it is time to collect the keys - which is more than I can say about some insurance agents. Will be in touch with him for after sales and servicing. A single point of contact is all you need. Your customer journey is in good hands with Mr Amirul!

I would like to thank Kenny from Royal Motor Grandeur (only in Ubi Branch) for "my" new car and all the help and services they have provided. He is very friendly and knowledgeable, which makes the enquiry process and the purchase smooth. He also try to match my financial profile and put in the extra effort to ensure that my needs are met and I have a positive experience. Overall, Royal Motor Grandeur is my preferred dealer and they could be yours too.
I made an enquiry from the advertisement in FB and Kenny was the staff who took us for an appointment at the promotional road show. Kenny was friendly and took us around to view all the latest models and spent time explaining the new features and how to improve our daily commute. Kenny was also thorough with his admin work and took effort to meet our needs and he followed through for us the process comes to a complete close. With Kenny handling our purchase, I am not worried at all. Overall, I am satisfied.
Will totally make the recommendation. And guys! Don't miss your chance to good service from (Kenny B4028944) at Ubi Branch and a brand new car with RMG.
